Opened two hours earlier, a cool vintage slowly fast-forwarded to today's elegance. Is it mature? Of sorts as it carries the soil in its blood and whiffs like it was intended to be though I personally find it extreme youthful. A slight (as it used to be) sweetness (6 g/L of RS) and there is tobacco smouldering in a cedar box. Still not quite opening yet, spending an hour with it (or more) would be ideal. Undefined red citrus, exotica, florals, finesse, balance and elegance. Though it may have once been or at least acted-seemed greener, it has made it to this pretty stage. An integrated beauty. Drink 2016-2026. Tasted September 2016.
